

Friday Feast

Each week, the school will provide a special meal for all our staff.

You are also invited to lunch – share a meal with our learners or we can provide you with a freshly cooked meal or meal deal when you really need it.

We can provide breakfast, fruit, lunch, snacks, and drinks – where possible we want to ensure you are not hungry or thirsty so will provide you with refreshment and nourishment. If you are struggling at home, please speak to your Principal so we can provide some discreet support.
